

## McGregor Museum Kimberley

### Zoology Department: Publications: 1986 – 2006

- Scientific
- Unpublished reports
- Popular
- Editorships

### Scientific:

1986:

- KOK, O.B. & ANDERSON, P.C. 1986. *Die dieetsamestelling van sommige jakkalssoorte*. S. Afr. Tydskr. Natuurwet. Tegnol., 5(2): 92.

1987:

- ANDERSON, P.C. & KOK, O.B. 1987. *Eto-ekologiese aspekte van die kroonkiewiet op binnelandse lughawens*. S. Afr. Tydskr. Natuurwet. Tegnol., 6(4): 189–190.

1988:

- ANDERSON, P.C. 1988. *Aspekte van die biologie van die kroonkiewiet Vanellus coronatus (Boddaert), 1783 op enkele binnelandse lughawens*. M.Sc. thesis, University of the Orange Free State.

1989:

- KOK, O.B. & ANDERSON, P.C. 1989. *Dieetsamestelling van kroonkiewiete in ope grasveld*. S. Afr. J. Wildl. Res., 19(3): 122–125.

1990:

- ANDERSON, P.C. & KOK, O.B. 1990. *Gonadesiklus van die kroonkiewiet Vanellus coronatus op enkele binnelandse lughawens*. S. Afr. J. Zool., 25(1): 54–60.

1992:

- ANDERSON, P.C. 1992. *From the field to the cabinet*. In: *International symposium and first world congress on the preservation and conservation of natural history collections*. (eds. J. Gisbert, F. Palacios & S. Reig). Dir. Gen. de Bel. Art. y Arch. Min. Cult, Madrid, Spain. p. 104.
- ANDERSON, P.C. 1992. *Del campo al armario*. In: *Simposio internacional y primer congreso mundial sobre preservacion y conservacion de colecciones de historia natural*. (eds. J. Gisbert, F. Palacios & S. Reig). Madrid, Spain. p. 104.

- ANDERSON, P.C. 1992. *The influence of fire on the small mammal population of the Molopo Nature Reserve, Northern Cape Province*. In: Research Report, Cape Nature Conservation Scientific Services. (eds. K. Hamman & A. Boshoff). Jonkershoek, Stellenbosch. p. 123.
- ANDERSON, P.C. 1992. *The population dynamics and ecological role of the springhare Pedetes capensis (Forster, 1778) in the Kimberley area, Northern Cape Province, South Africa*. In: Research Report, Cape Nature Conservation Scientific Services. (eds. K. Hamman & A. Boshoff). Jonkershoek, Stellenbosch. p. 121–122.
- ANDERSON, P.C. & KOK, O.B. 1992. *Aspekte van die anatomie, morfologie en vertering van die kroonkiewiet Vanellus coronatus*. S. Afr. Tydskr. Natuurwet. Tegnol., 11(1): 4–9.

#### 1994:

- ANDERSON, P.C. 1994. *Grass Owl collected in the Molopo Region, Northern Cape Province, South Africa*. Gabar, 9(2): 32.
- ANDERSON, P.C. & MARITZ, A.W.A. 1994. *Prey items of two pairs of Bateleur Eagles in the Northern Cape Province, South Africa*. Gabar, 9(2): 26–27.

#### 1995:

- ANDERSON, M.D., MARITZ, A.W.A. & ANDERSON, P.C. 1995. *Booted eagles breeding north of the Orange River, South Africa*. Journal of African Raptor Biology, 10 (1): 28–29.

#### 1996:

- ANDERSON, P.C. 1996. *The population dynamics and ecological role of the springhare Pedetes capensis in the Kimberley area, Northern Cape Province, South Africa*. Ph.D. dissertation, University of the Orange Free State.

#### 1997:

- ANDERSON, P.C. & KOK, O.B. 1997. *Ectoparasites of the springhare Pedetes capensis in the Northern Cape Province, South Africa*. Proceedings of the Seventh International Theriological Congress, 13–14.

#### 1998:

- TAYLOR, P.E., ANDERSON, P.C., GROBLER, P. & BOWLAND, A.E. 1998. *Morphometric assessment of developmental instability in the springbok Antidorcas marsupialis*. Acta Theriol.
- ANDERSON, P.C., KOK, O.B. & ERASMUS, B.H. 1998. *Diet, body mass and condition of Lesser Kestrels Falco naumanni in the South African interior*. Ostrich 70(2):112–116.

#### 1999:

- ANDERSON, P.C. & KOK, O.B. 1999. *Ectoparasites of springhares in the Northern Cape Province, South Africa – do they regulate springhare populations?* In Prep.

2003:

- ANDERSON, M.D., KOLBERG, H., ANDERSON, P.C., DINI, J. & ABRAHAMS, A. 2003. Waterbird populations at the Orange River mouth from 1980–2001: a re-assessment of its Ramsar status. *Ostrich* 74 (3&4): 159–172.
- ANDERSON, P.C. & KOK, O.B. 2003. Ectoparasites of the springhare (*Pedetes capensis*, Forster 1778) in the Northern Cape Province, South Africa. *SA Journal of Wildlife Research* 33(1):23–32.

2004:

- KRUGER, O., RADFORD, A.N. ANDERSON, P.C. & LIVERSIDGE, R. 2004. *Successful sons or superior daughters: sex-ratio variation in springbok*. Proc. R. Soc. B, 272: 375–381.

2005:

- HERRICK, J., LAMBERSKI, N., WILSON, B., ANDERSON, C., SWANSON, W., & SLIWA, A (2005). *Linking ex-situ and in-situ conservation in black-footed cats*. Proceedings of the Felid Taxon Advisory Group 2005: 21–23.
- PHELAN, P. & SLIWA, A. 2005. *Range size and den use of Gordon's wildcats Felis silvestris gordonii in the Emirate of Sharjah, United Arab Emirates*. Journal of Arid Environments 60: 15–25.
- PHELAN, P. & SLIWA, A. 2005. *Range size and den use of Gordon's wildcats Felis silvestris gordonii in the Emirate of Sharjah, United Arab Emirates*. Journal of Arid Environments 60: 15–25.
- SCHÜRER, U. & SLIWA, A. 2005. *International Studbook for the Chilean Pudu (Pudu pudu)*. Vol. 10 2003/2004. Wuppertal Juli 2005.

2006:

- SLIWA, A. 2006. *Seasonal and sex-specific prey composition of black-footed cats (Felis nigripes)*. Acta Theriologica 51: 195–204.
- SLIWA, A. 2006. *Black-footed Cat Research – WAZA Project 06016*. WAZA Magazine 8: 23.
- SLIWA, A. 2006. *International Studbook for Gordon's Cat (Felis silvestris gordonii), Vol 5 – 2004/2005*. Zoologischer Garten der Stadt Wuppertal, Wuppertal, Germany, September 2006 (ISSN 1435–2494).
- SLIWA, & SCHÜRER, U. 2006. *International Studbook for Black-footed cat (Felis nigripes), Vol. 14 – 2004/2005*. Zoologischer Garten der Stadt Wuppertal, Wuppertal, Germany, July 2006 (ISSN 0944–6338).
- SLIWA, A. In Press. *Felis nigripes Burchell*. In: Kingdon, J.S. & Hoffmann, M. (Eds). *The Mammals of Africa Vol 5. Carnivora, Pholidota, Perissodactyla*. In: Kingdon, J. Butynski, T. and Happold, D. (Eds). The Mammals of Africa Vols 1–6. Academic Press, Amsterdam.
- SLIWA, A. In Press. *Felis margarita Loche*. In: Kingdon, J.S. & Hoffmann, M. (Eds). *The Mammals of Africa Vol 5. Carnivora, Pholidota, Perissodactyla*. In: Kingdon, J. Butynski, T. and Happold, D. (Eds). The Mammals of Africa Vols 1–6. Academic Press, Amsterdam.
- SLIWA, A. In Press. *The Genus Felis*. In: Kingdon, J.S. & Hoffmann, M. (Eds). *The Mammals of Africa Vol 5. Carnivora, Pholidota, Perissodactyla*. In: Kingdon, J. Butynski, T. and Happold, D. (Eds). The Mammals of Africa Vols 1–6. Academic Press, Amsterdam.

## Unpublished Reports:

1989:

- ANDERSON, P.C. & FIELD, M. 1989. *Regional Report – Northern Cape*. SABAP News, 8: 3–4.

1990:

- ANDERSON, P.C. 1990. *Regional Report – Northern Cape*. SABAP News, 9: 7–8.
- ANDERSON, P.C. 1990. *Report ré conditions – Kamfersdam. Internal Report – Wildlife Society of southern Africa* (Northern Cape Branch). 2 pp.
- ANDERSON, P.C. 1990. *Regional Report – Northern Cape*. SABAP News, 10: 7–8.

1991:

- ANDERSON, P.C. 1991. *Regional Report – Northern Cape*. SABAP News, 11: 6.
- ANDERSON, P.C. 1991. *Regional Report – Northern Cape*. SABAP News, 12: 3.
- WILSON, BERYL. 1991. *Herptofauna of Kamfers Dam*. In: Koen, J.H. (comp.). Biological evaluation of Kamfers Dam and its immediate surroundings. Cape Nature Conservation, Northern Cape Region.

1992:

- ANDERSON, P.C. 1992. *The influence of fire on the small mammal population of the Molopo Reserve, Northern Cape Province*. Internal Report, Cape Nature Conservation & Museums. 20 pp.

1993:

- ALLAN, D. & ANDERSON, P.C. 1993. *Report on bird atlasing trip to the Kalahari Gemsbok National Park (7–11/8/92)*. Internal Report: National Parks Board. 20 pp.

1994:

- ANDERSON, P.C. 1994. *Reproduction, age structure and condition of Benfontein springbok* (May 1994). Internal Report I – De Beers Consolidated Mines (Farms Department). 6 pp.
- ANDERSON, P.C. 1994. *Reproduction, age structure and condition of Benfontein springbok* (June 1994). Internal Report II – De Beers Consolidated Mines (Farms Department). 6 pp.
- ANDERSON, P.C. 1994. *Reproduction, age structure and condition of Susanna springbok* (June 1994). Internal Report III – De Beers Consolidated Mines (Farms Department). 7 pp.
- ANDERSON, P.C. 1994. *Reproduction, age structure and condition of Benfontein springbok* (July 1994). Internal Report IV – De Beers Consolidated Mines (Farms Department). 11 pp.
- LIVERSIDGE, R., ANDERSON, M.D. & ANDERSON, P.C. 1994. *Rooipoort Nature Reserve Bird Checklist*. De Beers Consolidated Mines.

#### 1995:

- ANDERSON, P.C. 1995. *Reproduction, age structure and condition of Olifantskop springbok* (April 1995). Internal Report V – De Beers Consolidated Mines (Farms Department). 8 pp.
- ANDERSON, P.C. 1995. *Reproduction, age structure and condition of Susanna springbok* (early July 1995). Internal Report VI – De Beers Consolidated Mines (Farms Department). 8 pp.
- ANDERSON, P.C. 1995. *Reproduction, age structure and condition of Susanna springbok* (late July 1995). Internal Report VII – De Beers Consolidated Mines (Farms Department). 7 pp.
- ANDERSON, P.C., ANDERSON, Tania & MORRIS, D. 1995. *Finch Mine – Environmental Management Plan*. Environmental Impact Assessment. 7 pp.

#### 1996:

- ANDERSON, P.C. 1996. *Reproduction, age structure and condition of Benfontein springbok* (June 1996). Internal Report VIII – De Beers Consolidated Mines (Farms Department). 11 pp.
- ANDERSON, P.C. 1996. *Reproduction, age structure and condition of Susanna springbok* (June 1996). Internal Report IX – De Beers Consolidated Mines (Farms Department). 9 pp.
- ANDERSON, P.C. 1996. *Reproduction, age structure and condition of Susanna springbok* (July 1996). Internal Report X – De Beers Consolidated Mines (Farms Department). 12 pp.

#### 1997:

- ANDERSON, P.C. 1997. *Reproduction, age structure and condition of Benfontein springbok* (May 1997). Internal Report XI – De Beers Consolidated Mines (Farms Department). 8 pp.
- ANDERSON, P.C. 1997. *Reproduction, age structure and condition of Susanna springbok* (June 1997). Internal Report XII – De Beers Consolidated Mines (Farms Department). 8 pp.
- ANDERSON, P.C. 1997. *Reproduction, age structure and condition of Susanna springbok* (July 1997). Internal Report XIII – De Beers Consolidated Mines (Farms Department). 8 pp.
- ANDERSON, P.C., KOEN, J. & VENTER, J. 1997. *A preliminary investigation: Interspecific interactions between the riverine rabbit (*Bunolagus monticularis*) and springhare (*Pedetes capensis*)*. Internal Report: Northern Cape Nature Conservation Service. 7 pp.

#### 1998:

- ANDERSON, P.C. 1998. *Reproduction, age structure and condition of Benfontein springbok* (June/July 1998). Internal Report XIV – De Beers Consolidated Mines (Ecology Division). 11 pp.
- ANDERSON, P.C. 1998. *A botanical and zoological survey of the Waaikraal Quarry Site, Hanover District, Northern Cape Province*. An Impact Assessment, 16 pp.
- ANDERSON, P.C. 1998. *The possible impact of the proposed Schuitdrift–Aggeneys electricity lines and substations on the mammalian and reptilian fauna of the area*. Desktop EIA. 4 pp.

#### 1999:

- ANDERSON, P.C. 1999. *Reproduction, age structure and condition of Benfontein springbok* (June 1999). Internal Report XV – De Beers Consolidated Mines (Ecology Division). 8 pp.
- ANDERSON, P.C. 1999. *The possible impact of extended manganese mining activities by SAMANCOR on the vertebrate fauna of Hotazel, Mamatwan and Wessels Mines*. A Desktop Survey. 18 pp.

#### 2000:

- ANDERSON, P.C. 2000. *Reproduction, age structure and condition of Benfontein springbok* (May–Jul 2000). Internal Report XVI – De Beers Consolidated Mines (Ecology Division). 12 pp.
- ANDERSON, P.C., WILSON, B.Y & OLIPHANT, J.M. 2000. *The possible ecological impact of the proposed zinc mining activities on the mammalian fauna of Gamsberg, Northern Cape Province*. An Ecological Impact Assessment. 73 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2000. *The possible ecological impact of manganese mining on the mammalifauna, avifauna, herpetofauna and arachifauna by the Audax prospecting operation at Rust in Vrede*. An Ecological Impact Assessment. 13 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2000. *The possible ecological impact of Telkom masts on the mammalifauna, avifauna, herpetofauna and arachifauna on predetermined De Aar and Kimberley sites*. An Ecological Impact Assessment. 28 pp.

#### 2001:

- ANDERSON, P.C. 2001. *Reproduction, age structure and condition of Benfontein springbok* (May–Jul 2001). Internal Report XVII – De Beers Consolidated Mines (Ecology Division). 12 pp.
- ANDERSON, P.C. 2001. *The possible impact of resettlement activities on the vertebrate fauna at the proposed Platfontein development site, Kimberley*. A Desktop Survey.
- ANDERSON, P.C. 2001. *The possible ecological impact of the construction of a MTN mast on the vertebrate fauna at Bakenskop, Niekerkshoop*. A Desktop Survey.
- ANDERSON, P.C. & WILSON, B.Y. 2001. *The possible impact of manganese mining activities by SAMANCOR on the vertebrate fauna at the proposed Smartt– Rissik site*. An Ecological Impact Assessment.
- ANDERSON, P.C. & WILSON, B.Y. 2001. *The ecological impact on the vertebrate fauna of the existing and proposed sites for limestone quarries at Ulco, Alpha Cement*. An Ecological Impact Assessment.

#### 2002:

- ANDERSON, P.C. & WILSON, B.Y. 2002. *The possible ecological impact of the proposed Welgevonden iron ore mining project on the mammalifauna, avifauna, herpetofauna and arachnifauna near Postmasburg, Northern Cape Province, South Africa*. An Ecological Impact Assessment.
- ANDERSON, P.C. 2002. *Reproduction, age structure and condition of Benfontein springbok* (Apr–Jun 2002). Internal Report XVIII – De Beers Consolidated Mines (Ecology Division). 13 pp.

#### 2003:

- ANDERSON, P.C. 2003. *Reproduction, age structure and condition of Benfontein springbok* (May–Jul 2003). Internal Report XIX – De Beers Consolidated Mines (Ecology Division). 12 pp.
- ANDERSON, P.C. 2003. *Taung Skull Heritage Site – Zoology Phase 1 report*. 2 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2003. The possible impact of iron ore mining activities by Sishen Iron Ore Company on the vertebrate fauna at various proposed sites near Kathu, Northern Cape Province, South Africa. *An Ecological Impact Assessment*. 19 pp.

#### 2004:

- ANDERSON, P.C. 2004. The vertebrate component (Mammalifauna, Avifauna and Herpetofauna) of Kareevlei Wes Plase BK, Barkly West District, Northern Cape Province – *An Ecological Impact Assessment*. 14 pp
- ANDERSON, P.C. 2004. Voorlopige ekologiese evaluasie: Lilydale Fly Fishing & Game Lodge. 5 pp.
- ANDERSON, P.C. 2004. The proposed establishment of a gypsum mine in the Kenhardt District, Northern Cape Province. Possible impacts on the vertebrate fauna. *A Desktop Survey*.
- ANDERSON, P.C. 2004. *Installation of an underground fuel tank at the Kimberley Macsteel trading premises (Erf 0021): Possible environmental impact*. An Ecological Impact Assessment. 16 pp.
- ANDERSON, P.C. 2004. *Reproduction, age structure and condition of Benfontein springbok* (May–Jul 2004). Internal Report XX – De Beers Consolidated Mines (Ecology Division). 12 pp.
- ANDERSON, P.C. 2004. *The vertebrate component (mammalifauna, avifauna and herpetofauna) of Kareevlei Wes Plase BK, Barkly West district, Northern Cape Province*. A Specialist Report. 14 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2004. *Vertebrate survey: Kgalagadi District Municipality*. An Ecological Impact Assessment. 21 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2004. *The influence of iron ore mining on the mammalifauna, avifauna, herpetofauna and arachnifauna at the proposed alternative sites of the Welgevonden Project, Postmasburg*. An Ecological Impact Assessment. 22 pp.
- ANDERSON, P.C. & WILSON, B.Y. 2004. *The possible ecological impact of iron ore mining at two alternative sites: Welgevonden Project (Kumba)*. An Ecological Impact Assessment.
- HERRICK, J.H., LAMBERSKI, N., WILSON, B.Y., BARTELS, P., ANDERSON, P.C. & SWANSON, B. 2004. *Reproductive and health assessment of black-footed cats (Felis nigripes) on Benfontein, Kimberley, Northern Cape Province, RSA*. 13 pp.

#### 2005:

- ANDERSON, P.C. 2005. Bartrek Ranches, Botswana. *An Ecological Assessment*.
- ANDERSON, P.C. 2005. *Reproduction, age structure and condition of Benfontein springbok* (May–Jul 2005). Internal Report XXI – De Beers Consolidated Mines (Ecology Division).

#### 2006:

- ANDERSON, P.C. 2006. Reproduction, age structure and condition of Benfontein and Susanna springbok (May-Jul 2006). Internal Report XXII - De Beers Consolidated Mines (Ecology Division).
- ANDERSON, P.C. 2006. Management plan framework for the Remainder of Portion 1 of the farm Uitkoms no. 463 (known as the Wildkamp), Kathu, Northern Cape Province, South Africa.
- ANDERSON P.C. & WILSON, B.Y. 2006. The possible impact of iron ore mining activities by Assmang Limited on the vertebrate fauna at various proposed sites (Bruce, King, Mokaning and Parson) near Kathu, Northern Cape Province, South Africa. *An Ecological Impact Assessment*
- ANDERSON, P.C. & WILSON, B.Y. 2006. The proposed development at portion 48 and the remaining portion 4 of the farm Bestwood 459, Kathu, Kgalagadi District, Northern Cape Province, South Africa – The possible impact on the vertebrate fauna. *An Ecological Impact Assessment*.
- ANDERSON, P.C. & WILSON, B.Y. 2006. Residential development on Sishen Golf Course – ERF 1439, Remainder of ERF 2974 and Remainder of Portion 1 of the farm Uitkoms no. 463, Kathu, Gamagara District, Northern Cape Province, South Africa – The possible impact of development on the vertebrate fauna. *An Ecological Impact Assessment*.

#### Popular:

#### 1988:

- ANDERSON, P.C. 1988. *A study of the crowned plover* Vanellus coronatus. McGregor Miscellany, 1(2): 1–2.

#### 1989:

- WILSON, Beryl. 1989. *Update on Agama* (Agama a. aculeata) Project. McGregor Miscellany 2:2.

#### 1990:

- ANDERSON, P.C. 1990. *About bees, guinea-fowl and fire*. Griqua Gnus, 185: 6.
- ANDERSON, P.C. 1990. *A paddling of duck*. Griqua Gnus, 185: 7.
- ANDERSON, P.C. 1990. *A link in the migration pattern*. Griqua Gnus, 189: 7.
- ANDERSON, P.C. 1990. *Rooibekrenostervoël naby Kimberley*. Griqua Gnus, 189: 7.
- ANDERSON, P.C. 1990. *Dieetsamestelling van vier Carnivora spesies*. McGregor Miscellany, 3(2): 3–6.
- WILSON, Beryl. 1990. *Meet the Museum's Agama*. Griqua Gnus 184:4–5.
- WILSON, Beryl. 1990. *New Aurora House Snake (Lamprophis aurora) recording in Kimberley*. Griqua Gnus 184:5.

#### 1991:

- ANDERSON, P.C. 1991. *Interesting bird sightings in the Northern Cape*. Griqua Gnus, 200: 5.

- ANDERSON, P.C. & KOK, O.B. 1991. *The crowned plover problem at airports: A simple solution*. African Wildlife, 45(6): 299–301.
- ANDERSON, P.C. & KOK, O.B. 1991. *Die kroonkiewietprobleem by lughawens: 'n eenvoudige oplossing*. African Wildlife, 45(6): 303–304.

#### 1992:

- ANDERSON, P.C. 1992. *Another link in the migration pattern*. Griqua Gnus, 212: 5.
- ANDERSON, P.C. & ANDERSON, Elmarie 1992. *Ganspan Waterfowl Sanctuary*. In: Top Birding Spots in southern Africa. (ed. H. Chittenden). Southern Book Publishers, Pretoria. pp. 198–200.
